

Job Description: Production Artist

Endless is an interactive storytelling company. Our mission is the never-ending pursuit of the most innovative and engaging ways to tell great stories. We're currently partnering with one of the biggest entertainment companies in the world on an interactive storytelling platform featuring all-new shows based on some of the most iconic IP from film and television.

Interactive storytelling is an exciting new medium that puts the audience in control of the story. Think of it as a TV show and a choose-your-own-adventure book rolled into one. But you may already know that, in which case, you may be just who we're looking for!

The Production Artist is responsible for assembly and polish of art assets in our game engine. They will work with the project lead artist, art director and creative director to create the final, shippable presentation of art assets for our interactive experiences.

Primary Responsibilities

- Break down and clean up of existing art assets to implement them in-game.
- Actualization of in-game scenes with placement, lighting, color balancing and effects
- Optimization of art assets in accordance with technical restrictions
- Provide assistance to in-house artists for creation of assets as needed
- Provide assistance as needed to lead artists and/or art director
- Able to autonomously balance deadlines and production schedule
- Identify potential problems in the art pipeline and work with the Endless leads to prevent them

Requirements

- Experience in producing 2D game assets
- Experience with implementing assets in Unity
- Excellent eye for composition, color, lighting
- Applicable degree or 1-3 years of game development industry experience
- Shipped mobile/casual games or interactive media titles
- Previous experience in game asset creation, illustration, graphic design or animation

Compensation

- Competitive Salary
- Stock Option Plan
- Medical & Dental
- 401K
- Commuter Benefits

Required Application Materials

- Resume
- Cover Letter
- Portfolio
