

Job Description: Narrative Director

Endless is an interactive storytelling company. Our mission is the never-ending pursuit of the most innovative and engaging ways to tell great stories. We're currently partnering with one of the biggest entertainment companies in the world on an interactive storytelling platform featuring all-new shows based on some of the most iconic IP from film and television.

Interactive storytelling is an exciting new medium that puts the audience in control of the story. Think of it as a TV show and a choose-your-own-adventure book rolled into one.

We are seeking an experienced Narrative Director with outstanding writing and leadership skills and a proven track record of shipping high quality mobile apps. This highly-motivated individual will provide leadership and feedback to the story leads throughout the story development process to produce high quality impacting writing.

This position is for onsite at our New York City, San Francisco or Los Angeles office.
