

Job Description: Outsource Artist

Endless is an interactive storytelling company. Our mission is the never-ending pursuit of the most innovative and engaging ways to tell great stories.

We are seeking an experienced Outsource Artist to help ensure the integrity of our production pipeline and guide the art development at Endless with external vendors. Candidates should be an experienced 2d concept artist with a background in game art development for mobile devices. This position will be responsible for providing feedback, managing several episodic projects, and maintaining a level of high quality artwork.

The Outsource Artist should have excellent communication skills with a proven ability to interface succinctly and proactively with external vendors. The role requires close collaboration with Art Directors and Art Leads to maintain pace and quality, while bringing clarity to the production pipeline with improvements to artwork and processes.

We have offices in New York City and San Francisco. Location is flexible.
